Why you should participate this fair?

Askfairs international education Fair is organised by askunicom Limited. Askfairs Tanzania is primarily designed to open young talented students to education opportunities available around the World. The fairs gathers institutions from Turkey. The fair is a 2-day Educational Exhibition and Conference for high school and university students who are seeking to further their education in distinguished local and international universities and institutions. This 2-day exhibition will host over 1,500 Participants and 10 universities, colleges and academic institutions, alongside sponsors and

Come meet and have a one on one with prospective students

Askfairs will be held on February 06th to 07th, 2023 in Tanzania. This Fair will serve as a common platform for students, scholars and educational institutions, also a gateway for students and parents to gain more information on the higher education, delegates from different Universities will be present at the event, for ON –THE – SPOT Offers, interaction, admissions and will offer scholarships and application fee waiver for complete applications.

We expect even more students to come as we utilize an extensive promotional campaign that spans across various channels – including TV, billboard, radio, print, and online media.

Event Highlights

- One-on-one interaction with students, parent and agents
- Universities from Turkey will attend the fair
- More than 1,500 registered Students
- High level Delegates from Government and Companies
